Product Rationalization – PPG HI-TEMP™ 222 G

Dear Valued Customer,

We are writing you to advise you the phase out of PPG *HI-TEMP* 222 G in the EMEA region.

PPG *HI-TEMP* 222 G is a one component, high-build multi-polymeric composite heat resistant coating. We have other alternatives available in our range depending on use.

Should you have questions about the most suitable replacement for PPG *HI-TEMP* 222 G in your particular field of application, please contact your local technical support or sales representative that will guide you towards the best solution.

The phase out of PPG *HI-TEMP* 222 G is targeted for June 2021.

Yours Faithfully
