March 2022

Product Rationalization – AMERCOAT® 450 S

Dear Valued Customer,

We are writing you to advise you the phase out of *AMERCOAT 450 S* in the EMEA region.

AMERCOAT 450 S is a two component, aliphatic acrylic polyurethane finish currently in our range. We have a number of polyurethane finishes in our range that could be used as alternative for AMERCOAT 450 S depending on its usage, in our SIGMADUR™ series.

The phase out of *AMERCOAT 450 S* is targeted for September 2022.

If you would like to discuss any aspect of this deletion in more detail, do not hesitate to contact your local sales representative or technical sales support representative.

Yours Faithfully

A handwritten signature in black ink, appearing to read 'Clémentine Mathieu', with a long horizontal stroke extending to the right.
